DAILY, EXCEPT SUNDAY.  
**ROSSER & MCCARTHY,**  
 Proprietors.

**RATES OF SUBSCRIPTION.**  
 THE DAILY BULLETIN will be delivered to any part of the city at 6 cents a week, or one year for \$3.  
 THE DAILY BULLETIN to any postoffice in the United States, postage prepaid, at twenty-five cents per month or three dollars per year.

TUESDAY EVE., AUGUST 23, 1887.

The grand jury of Rowan County has returned indictments against twenty men at the present term of court, three for murder.

The Republicans of Ohio ought to be defeated this fall for advocating cheap whiskey and tobacco in preference to cheap food and clothing.

Our Teachers' Institute is but poorly attended. The Republican journals should charge this lack of interest on the part of the teacher to the State government.

The way this country is filling up with people from the old world, it looks like the question of restricting immigration, to some extent at least, will become an important one before many years.

The people of Western Kentucky are still suffering from the drouth. Corn in that section, it is claimed, will not make a half crop, while tobacco is in still worse condition, and the farmers will be lucky to get a one-fifth crop of the weed.

The Sherman organ in Ohio declares in favor of abolishing the taxes on whisky and tobacco as a means of stopping the surplus. What a taking cry it would be, "Free whisky and tobacco, taxed sugar and salt and clothing!"

Young men or middle-aged ones suffering from nervous debility and kindred weakness should send 10 cents in stamps for illustrated book suggesting sure means of cure. Address, World's Dispensary Medical Association, 663 Main street, Buffalo, N. Y.

The official vote of the State on calling a Constitutional convention resulted in a majority of 23,403 in favor of the question. The total number of votes registered was 278,308, 162,557 of which were cast in the affirmative. Hurry up with that Constitution.

The people of Scott County will vote September 24th on a proposition to subscribe \$100,000 to the Frankfort, Georgetown & Paris Railroad. The County Court was a tie on the question of submitting the proposition, and the County Judge settled the matter.

Statistics show that there has been a big increase in the number of immigrants this year. For the seven months ending July 31, 1886, the immigration amounted to 221,313. For the corresponding period this year it was 325,531, an increase of 104,218, enough people to make a city somewhat greater in size than Columbus, Ohio, or Indianapolis, Ind.

Some of the churches are making steady progress in the mountain counties. In Eastern Kentucky, where four years ago there was no Southern Presbyterian Church, Dr. E. O. Guerrant now has eight churches with 600 members. Colonel Bennett H. Young has recently presented the church at Jackson, Breathitt County, with a fine bell. He, with Colonel R. S. Veech and two other Louisville Presbyterians, are the financial factors of this religious revolution.

At Versailles the Elkhorn Baptist Association has adjourned. Nothing of importance was up before this body except the question of the removal of their college from Georgetown to Shelbyville, which question has been creating great interest throughout the State. A great deal of time was consumed, but nothing was done in the matter by the association, and the question of removal now rests with the Trustees of the Georgetown College. As Georgetown has raised \$25,000 to have it remain in that place, and the association guarantees \$25,000 more, the college will, in all probability, remain at Georgetown.

JOHN R. ALLEN, late Colonel of the Second Regiment of the State Guard, is prominently named for the office of Adjutant General under the administration of Governor Buckner. No better selection could be made for the place. Of acknowledged military talent, with a wonderful capacity for the management of men, and superior judgement as an officer, he will bring to the position all the qualities to be desired in the chief military office of the State. His services to the Commonwealth at several critical periods, which were of the most commendable character, ought to have, and doubtless will have, great weight in his favor. His friends in the State Guard and in this community generally will be highly gratified to hear of the promotion of this most worthy and deserving officer.

## Sensation in Whisky Circles Expected.

A special from Lexington says: "Another big whisky sensation is on the tapis. Special Revenue Agent Kellogg, with fifteen Gaugers from Iowa, Indiana and Ohio, is in the State and will gauge 5 per cent. of each month's crop of whisky now in the warehouses of the Fifth, Sixth and Seventh Districts. Three Gaugers from Cincinnati are already in the city at work in the bonded warehouse of Wm. Tarr & Co. This big investigation is caused, probably, by the finding of so much whisky gone from the warehouses of Stag & Co., at Frankfort. What the outcome will be no one can divine. There may be many other warehouses just as leaky as those at Frankfort, and if such should prove to be the case there is no telling where this thing will end."

JONATHAN R. LUMAN, the Fleming County distiller, is in trouble again. He has been arrested on "eight warrants, charging him with violation of the prohibition law, and the trials will last several days. The fine for each offense is from \$100 to \$300. This is the third time this man has been arraigned on similar charges, and to date it has cost him just \$3,000 monkeying with this dry law. His feet are evidently not guided by the lamp of experience. A great deal of trouble is experienced in getting juries to try cases of this kind, the accused not wanting men who don't drink and the prosecution not caring to accept men who do."

The State of Indiana is in a very bad condition financially. The last dollar in the general fund has been paid out and there are no resources that can be drawn on before next December. Work on all the public buildings will have to be abandoned, and the funds to pay the current expenses of the government will have to be advanced by the counties, or the officials will do their work without pay.

Verily, there are States in just as bad a condition as Kentucky, financially speaking.

## OUR NEIGHBORS.

**SHANNON.**  
 George Collins gave a croquet party last week.  
 John H. Allison has gone West for a four weeks' absence.

Sam Collins will build a front to his home this fall of four rooms with upper and lower hall.

Born, to the wife of J. W. Clary, P. M., Sunday night, a bouncing boy. "Leonard Zech" is his name.

Mr. J. S. Caldwell and Mrs. A. R. Dallas were guests of Mrs. Dr. Browning at a o'clock tea Friday evening.

Miss Ebe Gale, of New Liberty, and Miss Mary Robinson, of Lancaster, will visit Miss Em Lee Browning in October.

Charles Gray, of Helena, is prizeing tobacco at "U Bet" warehouse for T. L. Best—the purchase made of N. & D. Watson.

Mrs. Mary A. Browning and her niece, Miss Em Browning, made a visit to their Tilton and Sherburne relatives last week.

Miss Jennie McDaniel, after a delightful sojourn here of two months, (during which she made many friends), has returned to Carlisle.

The many friends of Mr. P. B. Owens, of Fern Leaf, will regret to hear of his illness. Her aunt, Miss Mary Griffith, of Sardinia, was summoned to her bedside Sunday afternoon.

Miss Nannie B. Dye, of "Forest Home," goes to Mexico, Mo., on the 30th of this month to attend the female college at that place. She will make her home with Rev. A. M. Vardeman.

Mrs. Laura Gould, one of the brightest and most attractive of our young ladies of eminence, will be in our midst for some weeks, visiting the families of H. D. Watson, Shannon, and F. P. Bland, Mt. Olive.

As Mr. W. T. Browning and Miss Laura Gould were passing through Murphysville Friday night, their buggy horse plunged into an open culvert that was being sunk, upsetting the buggy, crippling horse and bruising the parties considerably. They came on after some delay, and were well cared for when they reached the home of Mr. H. D. Watson.

Professor Hawes, of Louisville, a very clever elocutionist, gave two entertainments at Mayaleck Tuesday and Wednesday evenings, August 16th and 17th. He had the pleasure of meeting Elder W. L. Emlinger, Rev. Dr. Hall, of Newport, Rev. Spears and Elder Gibson, of Mayaleck, all of whom enjoyed the elocutionary treat as much as any of the boys or fewer years.

Mrs. Bell Hovencamp, of Fort Worth, Texas, after a pleasant visit of four weeks among her Mason relatives—she places twenty-seven years between her Kentucky visits—has returned to her distant home. A number of her relatives and friends dined with her on Thursday last at her brother, Thomas E. Arthur's. Among the guests were Mrs. Mary Robinson and daughter, Mrs. Ann Sparks, Mrs. Jane Bland and daughter, Mrs. Wm. Ray, Miss Mary Arthur, Miss Sallie Johnson and Mrs. Charles Williams.

**An End to Bone Scraping.**  
 Edward Shephard, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c per box by J. C. Pecor & Co., and S. P. Campbell & Co., of Aberdeen Ohio.

LUTHER BRATTON has removed to Nep-ton, Fleming County.

**A Captain's Fortunate Discovery.**  
 Capt. Coleman, schr. Weymouth, plying between Atlantic City and N. Y., had been troubled with a cough so that he was unable to sleep, and was induced to try Dr. King's New Discovery for consumption. It not only gave him instant relief, but allayed the extreme soreness in his breast. His children were similarly affected and a single dose had the same happy effect. Dr. King's New Discovery is now the standard remedy in the Coleman household and on board the schooner. Free trial bottles of this standard remedy at the drug stores of J. C. Pecor & Co., and S. P. Campbell & Co., of Aberdeen Ohio.

**SPORTING NEWS.**  
**A Condensation of All the Important Sporting Events.**

Jake Kilrain and Jack Dempsey sparred for four rounds Saturday night before several thousand people at North Adams, Mass.

**SUNDAY BASE BALL.**—Cincinnati 9, Brooklyn 14; Athletic 5, St. Louis 1; Louisville 5, Baltimore 3; Mets 7, Cleveland 5; Columbus 13, Akron 0.

It is stated that base ball at Pittsburg is at a discount. Last year the Pittsburg club in the association made \$40,000; this year it seems that it will sustain \$15,000 loss.

The increase in base ball pool rooms in both league and association cities is receiving the attention of the officials in both base ball organizations, and steps are to be taken to protect the national game from the evils which may result from the existence of these pool rooms.

St. Louis still leads in the American Association Base ball race, with Cincinnati, Louisville and Baltimore close contestants for the second place. In the League race Detroit leads, with Chicago but two games behind, New York and Philadelphia closely contesting for the third position.

Question of per centage or guarantee plan of dividing gate receipts will be solved at the coming meeting of the association. Thus far it is stated the Cleveland, St. Louis Browns, Metropolitan and Louisville favor the per centage, and the Cincinnati, Athletics, Brooklyn and Baltimore the guarantee plan.

The Beatin-Kinslow deal is resting for the time being, but is likely to prove a source of much annoyance to President Young and the league. President Byrne, of the Brooklyn, a member of the arbitration committee, has always taken the matter in hand for immediate action, and President Stern, of the Cincinnati, returned home Saturday from St. Louis to confer with Mr. Byrne.

**Ancient Order of Foresters' Picnic.**  
 BROOKLYN, N. Y., Aug. 23.—Flags were displayed on the city hall and court house this morning for the Ancient Order of Foresters who are having their parade and picnic. Different societies of the order arrived from New York, Connecticut, New Jersey, Massachusetts, Philadelphia, Washington and other places. After parading with bands of music through the principal streets they proceeded to the Broadway park where they are holding a grand festival.

**Attempted Suicide.**  
 CINCINNATI, Aug. 23.—About 9:45 a. m. Frank Fitzgives, aged thirty-two, of Covington, Ky., walked down to the floating bath house at the foot of Vine street, and deliberately attempted suicide by jumping into the river. He was rescued with some difficulty and taken to Hammond street station house, where he was locked up for safe keeping. He refuses to talk, and no cause is known for his attempt at self-destruction.

**An Appointment.**  
 New York, Aug. 23.—David Okay, of the mercantile marine division of the treasury department, who has been appointed by Secretary Fairchild to examine into the methods of the board of immigration of that port, presented his credentials to collector Magone and had a long consultation with him. It was decided to begin the taking of testimony before the collector to-morrow.

**Dangerous Road for a Priest.**  
 DENVER, Col., Aug. 23.—At Glenwood Springs yesterday Father Edward Downey said mass but omitted his sermon, starting immediately for Meeker to minister to his parishioners in trouble there. He has a dangerous road to travel, and fears are felt for his safety. There was a pathetic scene at the church as he announced his departure to his post of duty.

**Foreign Items.**  
 Cholera holds its grip on Italy. There were sixteen deaths Sunday.  
 There is a crisis in Peruvian national affairs. The cabinet has resigned.
